

The New Model 938S. Proven Performance, Reengineered.

The proven performer just got better. Upgraded for greater reliability, a crystal-clear OLED display, and built-in GAT authentication. The same intuitive intelligent shoe dealers love, now built for greater confidence, uptime, and performance.

Raise player excitement and drive growth with trend-board integrations and immersive new game experiences.

Upgrade to the Next Generation of Performance.

The "Bee"® card and Bee-Tek™ pairing is the ultimate combination for the best table game performance.

CONFIDENCE IN YOUR HANDS. CONFIDENCE IN YOUR DECISIONS.™

- Intuitive operation dealers know & trust
- Helps enforce the rules of baccarat
- Dependable & reliable gaming performance

PERFORMANCE, SECURITY AND SPEED

Sharper OLED display gives operations clearer visibility and faster status recognition.

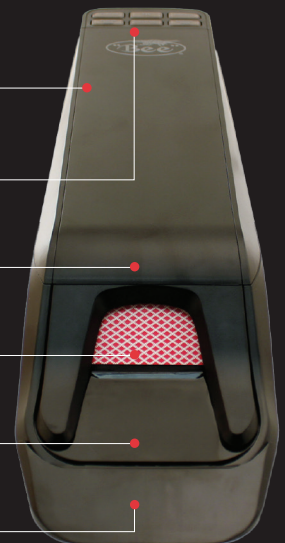

Heavy one-way roller ensures smooth, consistent card draws.

Card Guard protection prevents accidental overdraws.

The Results button helps prevent players from viewing card values prematurely.

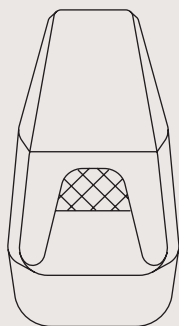

Advanced authentication verifies every card, keeping foreign cards out of play.

Proprietary security codes and advanced card-reading technology provide trusted accuracy.

Confidence in Your Hands.
Confidence in Your
Decisions.™

We designed **The Bee-Tek™ Baccarat Shoe** to support integration with third-party content and operational solutions.

The Bee-Tek™ Advantage

Trusted by casinos worldwide, Bee-Tek™ combines industry-leading card authentication, overdraw protection, and proven performance with the expertise of the company that manufactures “Bee”® playing cards.

Built Alongside “Bee”® Playing Cards in USA

Developed and manufactured by the same team behind the industry's premier playing cards, engineered in tandem for reliable reads and consistent performance at the table.
